

Welcome Mountain Club Fans!

It is time for epic MCSA branded kit!

Read carefully below - it is a bit intricate - but that makes it possible to offer something for everyone.

2 Options:

1. **Embroidered Technical Apparel**

You can choose any clothing from the www.firstascent.co.za or www.capestorm.co.za websites - e.g. fleece jacket, soft shell jacket, long-sleeved hiking shirt, shirt with zip to your belly button (??), cycling stuff....and it will get embroidered with either of these logos (colour dependant). The embroidery will be about 10 x 10 cm and on one side of the chest.
